AKTIBONG MAYNILA — Collective battles for the people of the Philippines, and the resistance they continue to face.

These photographs were captured during the presidency of Ferdinand “Bongbong” Marcos Jr., son of the late dictator Ferdinand Marcos Sr. They document moments of collective action, protest, and resistance in the streets of Manila.

The photographs were taken during the Trillion Pesos Marches on November 21 and November 30, 2025, and the May 1, 2026 Labor Day Rally.

For those who forget, there are those who refuse to.
